REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 3 Dec 99 w/attachments

(4) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the fitness report for 1 August to 12 November 1998, a copy of which is at Tab A to enclosure (1). As indicated in enclosure (2), the Headquarters Marine Corps (HQMC) Performance Evaluation Review Board (PERB) has directed removal of the contested fitness report. Petitioner further requested removal of his failure of selection before the Fiscal Year (FY) 2000 Captain Selection Board. Finally, he requested remedial consideration for augmentation and promotion. The Board did not consider these requests. The Marine Corps has no provision for remedial consideration for augmentation, however, Petitioner may apply for augmentation with a corrected fitness report record. He is not eligible for a special selection board for promotion to captain, as he is a selectee from the FY 2001 Captain Selection Board.

2. The Board, consisting of Messrs. Caron, Neuschafer, and Pfeiffer, reviewed Petitioner's allegations of error and injustice on 3 May 2000, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (3), the HQMC office having cognizance over the subject matter of Petitioner's request to strike his failure of selection for promotion has commented to the effect that this request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (3), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing his failure of selection before the FY 2000 Captain Selection Board.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

ROBERT D. ZSALMAN
Recorder

JONATHAN S. RUSKIN
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.

Subj: CORRECTION OF NAVAL RECORD

Ref: (a) MCO 1610.11C

1. Per the reference, the Performance Evaluation Review Board has reviewed allegations of error and injustice in your Naval record. Having reviewed all the facts of record, the Board has directed that your Naval record will be corrected by removing therefrom the following fitness report:

<u>Date of Report</u>	<u>Reporting Senior</u>	<u>Period of Report</u>
17 Nov 98	[REDACTED]	980801 to 981112 (TR)

2. There will be inserted in your Naval record a memorandum in place of the removed report. The memorandum will contain appropriate identifying data concerning the report and state that it has been removed by direction of the Commandant of the Marine Corps and cannot be made available in any form to selection boards and reviewing authorities. It will also state that such boards may not conjecture or draw any inference as to the nature of the report or the events which may have precipitated it, unless such events are otherwise properly a part of the official record. The Automated Fitness Report System (the data base which generates your Master Brief Sheet) will be corrected accordingly.

3. The Commandant of the Marine Corps is not empowered to grant or deny the removal of failure(s) of selection from a Naval record. Accordingly, your case will be forwarded to the Board for Correction of Naval Records (BCNR) for consideration of that issue.

Ref: (a) MMER Request for Advisory Opinion in the case of
First Lieutenant [REDACTED]
[REDACTED] USMC of 17 Feb 00

1. Recommend approval of First Lieutenant [REDACTED] request for removal of his failure of selection.
2. Per the reference, we reviewed First Lieutenant [REDACTED] record and petition. He failed selection on the FY00 Captain Selection Board. Subsequently, he successfully petitioned the Performance Evaluation Review Board for the removal of the Transfer fitness report for the period of 980801-981112. First Lieutenant [REDACTED] requests removal of his failure of selection.
3. In our opinion, the petitioned fitness report does present serious competitive concern to the record and its removal enhances the competitiveness of the record. While we recognize the record contains other areas of competitive concern, we believe First Lieutenant [REDACTED] should be afforded the benefit of the doubt and have his failures of selection removed.
